

YOU ARE INVITED...
Thursday | April 6th
4:00 pm - 5:30 pm

Bethel School District
EVERGREEN ELEMENTARY SCHOOL
Subcontractor Outreach Event

Event Location:

Evergreen Elementary School | Gymnasium | 1311 - 172nd Street East, Spanaway, WA 98387

Project Summary:

The school was opened in 1979 and currently enrolls approximately 525 students. In 2016, the Bethel School District identified the need to update and add capacity to the school to meet the growing needs of the community and the district. Anticipated improvements include the construction of a 10,000 sf addition and renovation to the existing 48,000 sf building. The renovation will include room reconfiguration, new finishes, updating the mechanical and electrical systems and related site work.
