* = required field

Creating your list of areas of expertise is very important. This field helps us match bid opportunities to vendors.

Take a few moments to write 5 key words (Areas of expertise) that best describe what your business does.

Stumped?

-Think about explaining to someone on the street.

Clear and concise.

-Think of verbs.

- Refer to your company webpage. What areas of expertise are listed?

Still stumped? Call us!

Selecting Categories

- **What are NIGP codes?**
- **How do I know which ones to pick?**
- **What if one does not fit my business?**

NIGP is a numbering system for goods and services.

A way to categorize products or services vendors supply

NIGP codes are used by County's and City's

Don't see a code that fits your business? Please let us know! We can help find one that fits.
